

SEXUAL MIND READER CHEAT SHEET

- 1) **Thick Lower Lips:** Women with thick lower lips are usually very active during sex and are very passionate lovers.
- 2) **Thin Lower Lips:** A thin lower lip means that she is not very giving and will just lay there while you do all the work.
- 3) **Arched/Pug Nose:** Women with this kind of nose will almost always give you incredible oral pleasure in bed.
- 4) **Narrow Face:** Women with this kind of face tend to be submissive and loyal.
- 5) **Nose to Chin Distance:** If the distance from right under her nose to the end of the chin is small, she has a low sexual drive.
- 6) **Nose to Chin Distance:** If the distance from right under the nose to the end of the chin is large, then she has a high sexual drive.
- 7) **Forehead Length:** A short distance means she has a very low sex drive.
- 8) **Forehead Length:** A larger forehead indicates that she has a very high sex drive.
- 9) **Thumb to Pointer Finger:** If the thumb is shorter than the first joint of the pointer finger, she will probably never initiate sex and that will be your responsibility.
- 10) **Thumb to Pointer Finger:** If the thumb is longer than the first joint of the pointer finger, this means that she has a high level of sexual outbursts.
- 11) **Leg Length Ratio:** If her legs are short compared to her torso, she will not want to have sex for long periods at a time.
- 12) **Leg Length Ratio:** If her legs are long compared to her torso, sex with her will last hours.
- 13) **Distance from Eyes to Nose:** If her eyes are close to the bridge of her nose, she is more likely to go home with you.
- 14) **Distance from Eyes to Nose:** The further her eyes are from the bridge of the nose, the more likely she's going to make you wait for sex.
- 15) **Cheek Bones:** If her cheek bones are very noticeable, she likes to have sex in new places.

- 16) **Cheek Bones:** If her cheek bones are barely noticeable, this woman will prefer to keep the sex in the bedroom.
- 17) **Thick Hair:** Women with thick hair love wild sex.
- 18) **Thin Hair:** Women with thin hair prefer gentle and more sensual sex.
- 19) **Face Width:** Women with wider faces are more confident and in control in the bedroom.
- 20) **Face Width:** Women with wider and arched noses are completely wild and freaky in bed.
- 21) **Face Width:** Women with narrow faces are more conservative in bed.
- 22) **Face Width:** Women with long and narrow faces tend to lay there and not move during sex.
- 23) **Ring and Index Finger Length:** If the length of these fingers is the same, then she is very traditional in bed.
- 24) **Ring and Index Finger Length:** When the ring finger is longer, she is more wild in bed.
